Effective May, 2011

Approved by the Finney County
Committee on Aging, Inc.
05.17.2011

1. Eligibility: Service is available to the elderly, disabled and general public in Finney County at least 3/4 mile beyond City Link fixed route area and outside Garden City's city limits. Children 10 and under must be accompanied by a person 16 or older. Children 11 to 16 must present picture ID to driver on boarding to ride alone.

2. Hours/Days of Operation: Hours are Monday through Friday (except Holidays) from 6:00 am-7:00 pm with the last call for return being 6:30 pm. Passengers outside Garden City city limits must call early enough to allow drivers to return to the FIT Center by 7:00 p.m. Passengers are asked to call by 7:00 p.m. the last work day before to schedule rides.

3. Fare: Per person per one-way trip in US currency. Outside of city limits within 5 miles driving distance of city limits-\$2.00; within 10 miles-\$3.00; within 15 miles-\$4.00; within 20 miles-\$5.00 within 25miles-\$6.00.Add \$1.00 for each additional 5 miles driving distance from edge of city limits. Driver will calculate miles driven from city limits to pick up location. Children 5 and under are free with a paying passenger. A one-way trip is considered to be a one-way service to a location from another location, whether or not the person disembarks. In the case of a fare dispute, the passenger will pay the fare and report the circumstances to the FIT office.

4. Pickup times/wait policy: Pick up window: Passengers must be at the main entrance 15 (fifteen) minutes ahead of their scheduled pick up time. Drivers may also pick up 15(fifteen) minutes after the scheduled pick up time, however they will arrive as close to the scheduled time as possible. Drivers will not wait more than **5 (FIVE)** minutes for anyone to board the bus as long as it falls within the 15 minute window on either side of the scheduled pick up time. If not on board within 5(five) minutes the driver will leave and will not return that day. This will be considered a No Go and all other rides scheduled for that day will be cancelled. (See #5)

5. No Shows/Cancellations: A No Go occurs when a rider does not cancel a reservation at least two hours before the start of the scheduled pick-up window (See #4) and does not take the trip. This includes failing to be ready to board the bus within 5 minutes of its arrival, during the pick-up window and/or canceling with the driver when the bus arrives. This is a serious infraction of FIT rules. FIT will attempt to contact riders who are not at the pick-up location when the vehicle arrives to let them know they must go to the vehicle or they will receive a NO GO. The person will be charged their normal fare for the untaken ride the next time they ride. If the rider cannot be contacted, a message will be left on an answering machine if available. If a rider NO GO's the first half of a round trip, the second half will be cancelled unless the rider contacts FIT immediately to retain the second half of the round trip. FIT will make every effort to dispatch a vehicle to bring that customer home, with the understanding that it will be on a first availability basis to pick up that customer. Riders will receive a warning in writing after they receive 4 (four) No Go's within six months. After 6 (six) No Go's within six months the rider will be sent a suspension letter resulting in a 30 day suspension of service. If a rider is suspended and then demonstrates a pattern of No Go's after the original suspension has ended, the rider may subsequently be suspended for longer periods. First Suspension: 30 days; Second Suspension:* 60 days; Third Suspension*: 90 days; Fourth Suspension*: Indefinite pending demonstration that the problem behavior can and will be changed within a minimum of 90 days. Riders are not penalized for No Go's that occur due to sudden emergencies which make it impossible for them to cancel. Because only two hour's notice is needed to cancel, it is anticipated that most riders will be able to cancel in a timely fashion. Riders are not penalized for being a No Go if the bus arrived late, that is, after the end continued...

5. continued: of the pick up window, or if a reservation error was made by the dispatcher. Riders are encouraged to discuss their record with staff if they feel they have been No Go'd in error. Disputes regarding this policy will be referred to the FIT Committee through the grievance prod as outlined in guideline #16 and appeals process #17.

Drivers may assist passengers using mobility aids. Drivers will not assist passengers using mobility aids up or down stairs. Passengers are responsible for either a ramp or someone other than the bus driver in getting in and out of their home, doctor's office, etc. where steps are present. Drivers are not permitted to assist individuals in transferring from a mobility aid to regular vehicle seating. Such riders must provide their own PCA to assist in their transfer. Drivers are not permitted to push mobility

aids whose weight of combined passenger and mobility aid exceeds 300 lbs. These passengers are responsible for their own movement or a PCA to push and maneuver the mobility aid onto the bus, into a forward facing position and in moving it out of and away from the bus when de-boarding. All mobility aids must be secured by the 4-Point Tie-down system. Power driven mobility aids must be in the "off" position while on the lift.

If a person refuses to vacate the bus when requested to do so by the driver for any of the above listed reasons, the police will be called to escort him/her off the bus. A Second offense will result in a 30 day Suspension, a Third

offense in a 60 day Suspension and a Fourth offense in an Indefinite Suspension pending demonstration that the problem behavior can and will be changed with a minimum of 90 days Suspension from bus service.

10. School bus Service: Exclusive school bus transportation is not provided.
